Academic Plan for SY 23-34

Where are we now?	
<p>Prioritize school’s needs as identified in one or more of the following needs assessments:</p> <ul style="list-style-type: none"> ● Comprehensive Needs Assessment (Title I Schools) ● WASC Self Study ● International Baccalaureate (IB) Authorization ● Other 	<p>Needs Identified through the school improvement process and the WASC self study to focus on for SY 23-24</p> <p>Learning Need #1 - Our students need to understand their responsibilities as a student, as a member of their family, as a member of the school, and as a member of their community.</p> <p>Learning Need #2 - Our students need to be engaged at appropriate levels in their learning so that they can grow in their Math and Reading literacy.</p> <p>WASC Self-Study Identified Needs (Based on 10/2020 WASC Report)</p> <p><u>Category A: Organization</u></p> <p>Areas of strength for Organization:</p> <ol style="list-style-type: none"> 1. Kalama supports sending staff to professional development training. 2. Kalama has clearly stated vision and mission statements and General Learner Outcomes relative to the Academic Plan and Comprehensive Needs Assessment. 3. BERL Learning Walks and shared PD improve teacher practice. 4. Kalama’s Interichment program provides time for SEL and PBIS activities. 5. Parent communication is provided via Weekly Panther News, social media, email, Infinite Campus, and school programs/events. <p>Key issues for Organization:</p> <ol style="list-style-type: none"> 1. Revise meeting schedules to facilitate communication and the decision making process. 2. Provide inclusion teachers with dedicated planning time with their teaching partners. 3. Review school-wide initiatives and infrastructure procedures/policies at the start of each school year. 4. Set up a consistent method of monitoring staff use of the three positive campus-wide strategies. 5. Update the PA and phone systems and develop emergency kits to increase school safety. 6. Continue supporting new teachers as they come to Kalama. <p><u>Category B: Curriculum</u></p> <p>Areas of strength for Standards-Based Student Learning: Curriculum :</p> <ol style="list-style-type: none"> 1. Most departments, and all core departments, use standards based curriculum.

Academic Plan for SY 23-34

2. All classrooms have GLO posters and GLOs are incorporated into teaching with high frequency.
3. Kalama offers a variety of extra curricular, high interest activities and clubs that extend student learning beyond the classroom into real world application.

Key issues for Standards-Based Student Learning: Curriculum:

1. Strengthen the plan to continue implementation of Data Teams.
2. Plan and implement formal collaboration, planning and integration of content areas to increase and improve interdisciplinary units (IDU's).

Category C: Instruction

Areas of strength for Standards-Based Student Learning: Instruction:

1. Technology usage in the classroom has grown over the past three years, and forced on everyone due to distance learning in SY 20-21. Teachers have risen to the occasion.
2. Along with the increased use of technology, student engagement has increased across campus.
3. Student voice is being used to adjust instruction in the classrooms

Key issues for Standards-Based Student Learning: Instruction:

1. Continue to make progress towards increasing student metacognition, helping students to articulate what they're learning (e.g., I am learning..., I can do..., This relates to my life...) to support rigor and relevance.
2. Continue to train and implement the BERC model at a school-wide level, and other PD that is valued among staff.

Category D: Assessment and Accountability

Areas of strength for Standards-Based Student Learning: Assessment and Accountability:

1. Kalama has developed an effective assessment process that collects, disseminates and reports student performance data to stakeholders.
2. Kalama is effective in using assessment results to modify the school's programs and processes.
3. Kalama has embraced a positive culture toward encouraging professional development efforts for teachers to improve student achievement.

Key issues for Standards-Based Student Learning: Assessment and Accountability :

1. Provide teachers more time to effectively analyze student performance data.
2. Develop a consistent grading system within and across all content areas and grades.
3. Analyze the professional development opportunities already provided and implemented, and measure the

Academic Plan for SY 23-34

	<p>impact of those professional development efforts on student achievement & student success.</p> <ol style="list-style-type: none">4. Develop a school-wide system to monitor and measure student progress toward achieving the General Learner Outcomes. <p><u>Category E: School Culture and Support for Student Personal and Academic Growth</u></p> <p>Areas of strength for School Culture and Support for Student Personal and Academic Growth:</p> <ol style="list-style-type: none">1. Kalama successfully serves a wide geographical area with a diverse cultural and social/economic population.2. The Music Program builds relationships and gives opportunities to students in building self esteem and giving an opportunity to showcase what they have learned in the classroom.3. Inclusion, Accelerated Math, RTI for Reading, and Math Workshop provide students with access to a content specialist in core content areas to provide additional support with modifications and accommodations.4. Hawaiian Immersion Program - Kula Kaiapuni cultivates ‘ike Hawai‘i (Hawaiian knowledge) through cultural experiences and language. <p>Key issues for School Culture and Support for Student Personal and Academic Growth:</p> <ol style="list-style-type: none">1. Encourage the PTO to do outreach to incoming families.
	<p>Addressing Equity: SubGroup Identification</p>
	<p>In order to address equity, list the targeted sub group(s) and their identified needs.</p> <ul style="list-style-type: none">● Disadvantaged (Low SES) and IDEA students account for three times as many disciplinary incidents as compared to non high-need students.● SPED students are less proficient in reading and math but have a higher median growth percentile than General Education students.● EL students will need targeted intervention to improve their literacy skills in the English Language

Academic Plan for SY 23-34

VP1	Student Voice

Academic Plan for SY 23-34

Goal 1: Student Success. All students demonstrate they are on a path toward success in college, career and citizenship.

- Objective 1: Empowered** - All students are empowered in their learning to set and achieve their aspirations for the future.
- Objective 2: Whole Child** - All students are safe, healthy, and supported in school, so that they can engage fully in high-quality educational opportunities.
- Objective 3: Well Rounded** - All students are offered and engage in rigorous, well rounded education so that students are prepared to be successful in their post-high school goals.
- Objective 4: Prepared and Resilient** - All students transition successfully throughout their educational experiences.

Outcome:	Rationale:
<p>1) The percentage of students that are well below on the Math State Assessments will decrease from 43% (SY21-22 data) to 40%.</p> <p>2) The percentage of students that are on track for college and career readiness as measured by their lexile in the Achieve3000 literacy program will increase from 24.6% (SY21022 data) to 28%.</p>	<p>1) Our school focuses on growth. With a high population of low SES (56%) and identified SPED students (16.67%), achievement in proficiency for math is challenging. As a school the focus will be on bringing students out of the well below category so that they are at or near proficiency for mathematics.</p> <p>2) Reading comprehension is a skill that is needed by all students if they are to be successful in college, career and citizenship.</p>

Goal 3: Successful Systems of Support. The system and culture of Kalama Intermediate works to effectively organize financial, human, and community resources in support of student success.

Outcome:	Rationale:																				
<p>Kalama Intermediate will continue to develop, implement, and revise systems of support to meet students' academic (RtI), social(PBIS, GLOs), and emotional(SEL) needs. In partnerships with parents, community members, and staff, Kalama will establish and maintain a supportive learning environment that encourages students to do their best and learn skills that prepare them for high school and beyond.</p>	<p>Without effective systems of support our students will not be successful.</p> <p>Academics:</p> <p>With targeted interventions, Kalama's target is to decrease the students that fall in the well below category by 4%.</p> <table border="1" data-bbox="1056 667 1780 1003"> <thead> <tr> <th></th> <th>SY20-21</th> <th>SY21-22</th> <th>Goal</th> </tr> </thead> <tbody> <tr> <td></td> <td>Well Below</td> <td>Well Below</td> <td>Well Below</td> </tr> <tr> <td>Math</td> <td>53%</td> <td>48%</td> <td>44%</td> </tr> <tr> <td>ELA</td> <td>31%</td> <td>27%</td> <td>23%</td> </tr> <tr> <td>Science</td> <td>44%</td> <td>41%</td> <td>37%</td> </tr> </tbody> </table> <p>Behavior:</p> <p>Additional supports will be incorporated into the schools systems of supports to help guide students into appropriate behaviors in and out of the classroom. These supports include continuing with the Vice Principal and Counselor positions in the master schedule that will be specifically available to the Hawaiian Immersion students. A fourth Vice Principal has been added to the master schedule to allow each Vice Principal to work with one grade level of students that they will follow during the students' three years at Kalama. This will allow the VPs to fully support</p>		SY20-21	SY21-22	Goal		Well Below	Well Below	Well Below	Math	53%	48%	44%	ELA	31%	27%	23%	Science	44%	41%	37%
