

Directions for activating student accounts on Infinite Campus

Students who were enrolled on 8/17 should now have an active account. This particularly affects incoming 6th graders whose account was not previously active. You can activate your account if need be by following the directions below.

Access Infinite Campus through our website: www.lis.k12.hi.us

Click on the “Infinite Campus” link at the top right of the homepage:

The next step is to change your password. The “old password” is the default password you just used.

Make your new password something you can remember although you should still write it down. We suggest that you make it the same as your Google password.

You have to verify your new password by typing it in again. Click the Save button.
