

## What is a School - Parent Compact?

Our annual school/parent/student compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. The compact was developed by stakeholders and focuses on student achievement. We encourage all parents/guardians to be a part of this process by attending one of the following meetings:

- Our Annual Title 1 Meeting will take place on August 11th.
- In the spring, we will have our Title 1 Planning Meeting on March 23<sup>rd</sup>.
- Complete the spring Parent Survey
- Attend School Governance meetings

## Jointly Developed

Parents, students, and staff work together and share ideas to develop the School-Parent Compact. Meetings are held each year to review the compact and make changes based on student needs.
