

What is a School - Parent Compact?

Our annual school/parent/student compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. The compact was developed by stakeholders and focuses on student achievement. We encourage all parents/guardians to be a part of this process by attending one of the following meetings:

- Our Annual Title 1 Meeting will be September 17, 2020.
- In the spring, we will have our Title 1 Planning Meeting.
- Complete the spring Parent Survey
- Attend School Governance meetings

Jointly Developed

Parents, students, and staff work together and share ideas to develop the School-Parent Compact. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time. Email the Principal

In the Classroom...

Teachers will work with students and their families to support students' success in reading and math. We will:

- Provide parents with home learning materials to support objectives within the classroom.
- Provide a grade-level bi-weekly newsletter with current standards, vocabulary, and important class information.
- Provide students with 'just right' books that will support their reading goals.
- Email or call to keep parents aware of their student's progress.

At Home...

Parents and guardians can support students' success in reading and math by the following:

- Attend all parent conferences.
- Read with your child each night for a minimum of 10 minutes.
- Practice basic math facts at home.
- Check your child's planner/folders nightly for newsletters and other important information.
- Sign up for the Class Dojo and Remind follow your child's academic and behavioral.

As students, we will...

- Show my parents my folder/planner

- Practice reading, writing skills, and basic math facts with my family
- Complete activities sent home by my teacher
- Use online resources at home or the public library to practice reading & math skills.
- Try my best to be at school every day.
