JEOPARDY! Slide Show Notes

- The font for the question & answer slides is “Enchanted;” a copy of this font is located in the “REAL Jeopardy Template” folder. (This font will need to be installed in the C:/WINDOWS/FONTS folder of the computer running the show.) In order to keep all of the sounds and fonts together, copy the entire “REAL Jeopardy Template” folder.
- To change the categories:
 - 1. Go to “Edit” and “Replace...”
 - 2. In the Find box, type CATEGORY 1 (all caps)
 - 3. In the Replace box, type the category in all caps (for example, PRESIDENTS)
 - 4. Click Replace All...
- To use the Daily Double:
 - 1. Choose which dollar values to set as Daily Double
 - 2. Link that dollar value to one of the DD slides
 - 3. Link the arrow on the DD slide to the correct question slide (so dollar/category match)

Running the JEOPARDY!

Slide Show

- On the game board with the categories on top, click on the desired dollar value. (The first game board is used only to blink in the dollar values like the show.)
- ICONS:
 - ? Go to the answer screen.
 - House Go back to the game board.
 - Right Arrow (on Daily Doubles) Go to the question screen.
 - Turned-up Arrow Reload question screen after incorrect guess
