III. Principal's Update

a. "Fall in Love with HES" family literacy night

- i. Feedback-Marcus Holley: due to time constraints because of COVID scheduling it seemed to be a lot in the time allotted.
 1. What would be a better option if we have to keep time slots? Possibly pull an activity out so that there is more time in the classroom with the teacher and less thing to try to squeeze in the assigned time frame.
- ii. Feedback-Tara Libby: agreed parents seemed to feel rushed to do all the activities in the time that they were here

b. Incentive programs:

- i. Pizza with the Principal,
- ii. AR store: Icy social, movie w/popcorn and drink, AR store items separated out to shop class by class, buy lunch with officer Anno.

- c. Virtual grade levels- current 1 1st grade Teacher, 1-3 virtual students per grade level paired with a virtual teacher from another school.

V. School Improvement

- i. Read and discuss SIP plan:
Demographic info and data, leadership team members, EWS data, current students 622 down from 681 previous year, Needs assessment analysis, data reflection, planning for improvement. Two areas of focus are: ELA gains in the lowest quartile, student attendance
 1. Member feedback:
 - a. Ms. Libby Stated: I think it looks good. I think reading is a great place to start because it is the foundation for all other content areas. I believe we have offered more
 - b. Ms. Blanton stated: Tardies are a large concern. I believe the tardies have been better this year, but we should still focus on decreasing the number of tardies.
 - c. Mr. Holley stated: Tardies are a reflection of parents initiative. A good suggestion would be to give an incentive to students for being on time, parents should receive a form of discipline for tardies. Tardies are a disruption for everyone not just the student who is tardy. The changes with the drive pathway has been an improvement for.
 - d. Ms. Loudermilk stated: we have asked for pavement striping to indicate dedicated pedestrian crosswalks and permanent signs for
 2. Motion to Approve: Sharon Blanton
 3. Second: Marcus Holley
 4. All in Favor: Jennifer Gregory, Marcus Holley, Tara Libby, Autumn Nicks-Libby, Sharon Blanton,
- ii. Read and discuss Action Plans:
 1. Marcus Holley: Can we add tardies to a robo call? These calls are already generated for students who are absent, this system is already in place can we add these calls for students who are tardy?

VI. New Business

- a. AR Store- Icy social, movie w/popcorn and drink, AR store items separated out to shop class by class, buy lunch with officer Anno.
 - i. Ms. Libby: I love that these options provide experiences for students, not just items. Once students see the opportunities that are available we should have more students wanting to earn points.
