

# 'Aikane O Nu'uauu Summer School Program

June 6-July 10, 2018 (23 days)

June 11 & July 4 holidays

## SPONSORSHIP:

'Aikane O Nuuanu is a non-profit parent organization that supports and compliments the education mission of Nuuanu Elementary School. It provides the vehicle for continued learning providing students an opportunity during the summer to engage in enriching experiences that extend their learning.

'Aikane O Nuuanu believes that every child is special, every child is unique, every child is important, every child is loved. We know that every child can learn in a safe, secure and nurturing environment. Therefore, the Early Arrival Program, the Academic School Program and the After School Program are all designed with the whole child in mind.

Financially, the summer program is self-supporting with all expenses paid from the tuition received from participating families.

Membership in the 'Aikane O Nuuanu Organization is NOT required for children to participate in the summer program, however, all policies covering sponsored activities are made by the parents and teachers who are members.

## ACADEMIC PROGRAM (Incoming grades 1-5)

Eligibility: To enroll, students must be currently attending any public or private elementary school. (must have completed grade K)

Curriculum: The Academic Program consists of an activity-oriented curriculum designed around the concept of "Learning to Learn by

Doing". It encompasses content and addresses the self-concept as well. The activities are designed to develop and strengthen the problem-solving/decision-making skills and abstract reasoning so necessary to become an independent learner. The activities are presented in a variety of ways to meet the individual learning styles of each student. These experiences broaden the base of knowledge and generate unique solutions as the student applies previously acquired knowledge to new problems and situations. The students are encouraged to take risks, care about others and adapt to change. Depending on the individual needs of the student and teacher assessment, the basic skills are integrated within the enrichment activities to provide opportunities for drill and practice in keeping with our philosophy of addressing the whole child.

Time: 8:00 a.m. to 12:00 p.m.

Director: Jill Maeda

Phone: 953-5465 (8:00 a.m. - 12:00 p.m.)

Summer  
2018 Info  
Sheet

The countdown to summer has started! This year's summer is 9-weeks long and there is an opportunity for everyone. It is a privilege for us to provide program for your family and we look forward to being a part of your youth's journey.

Every program our goal is to deliver a high quality experience. As we plan, we ask ourselves how we can outperform our last program. This summer we have added the question, "What's Our Impact?"

Our theme of "Have Heart" will be used across all Nu'uaniu Y summer programs reaching over 500 youth. We will use activities, excursions, and guest speakers to promote passion finding, empathy, philanthropy, and of course a physically healthy heart—positive food choices and regular movement. We will also be incorporating lessons around basic CPR. We believe this theme will frame an environment of learning, growth, fun, and exploration that builds confident, resilient, and thoughtful youth.
