- **Be involved.** You will participate in class, attempt to do the class work, ask questions when confused, and try to help your classmates understand the material when appropriate.
- **Be courteous.** You will treat your instructors and classmates like you want them to treat you. Don't talk when it is not appropriate. Don't sleep. Don't get out of your desk when it is not appropriate. Don't work on other class work. Don't access your cell phone. Don't play games on your calculator. Don't use power outlets.

Cheating includes but is not limited to: copying or sharing homework, talking during a test or quiz – for any reason, looking on someone else's paper or allowing them to look on yours, taking out a cellphone during a test or quiz – for any reason, and sharing a calculator during a test or quiz.
