ALL WORK-BASED LEARNING PROGRAMS (WBL)

Any student interested in earning school credit, money, and leaving school early each day through the work-based learning programs must complete an application and return to Mrs. Steele in the Career Related Education office (adjacent to the cafeteria). Students must complete the process before these courses can be added to his/her schedule. Applications can be picked up in Student Services, from Mrs. Steele's office or from Mrs. Steele's school website.
