 - Extend courtesy to everyone
 - Observe the rule of the majority
 - Ensure the rights of the minority

Use of the Gavel

- Used to maintain order in a meeting
- One tap
 - Follows the announcement of adjournment
 - Follows the completion of a business item

Voting

- Four common methods of voting:
 - Voice vote, by saying "aye" or "no."
 - **<u>Rising vote</u>**, either by standing or by a show of hands.
 - Secret ballot, a written vote
 - <u>Roll call</u>, with each member speaking their vote when the secretary calls their name.

**A quorum must be present before voting can take place.
(at least half of the members must be present)

Other voting procedures

AT COUNCIL

STUDI

- Simple majority:
 - Majority is simply based on the
 - At least half of the voters plus one voter be in favor for a vote to pass

• Two-thirds vote:

This must happen when a motion limits the rights of a member or members

Motions

These are the main tools of parliamentary procedure
 Four Types:

Privileged- motions concerned with the rights of members; take precedence over all other motions.
Incidental- motions that arise out of the business being conducted.
Subsidary- motions which help dispose of a main motion.
Unclassified- motions that bring a question before an assembly again.

Main Motions

- Used to get a group to approve a new project
 or some other action.
- The member would rise and say, "I move to....."
- Following the motion, it would need a second, another member says, "I second the motion"

More Parli Pro

- If no second occurs, the presiding officer would say, "the motion dies from lack of a second."
- If it receives a second, the presiding officer would say, "what the motion was and then as the members is their any discussion."
- When discussion is over, the presiding officer calls for a vote.
 - Presiding Officer: "All those in favor of the motion to.....signfy by saying aye." "All opposed, say no."
 - "The motion is carried/defeated." Then taps gavel once.

Amendments

- Members can make an amendment to a motion.
- Reason to make an amendment is to maybe clean up the wording.
- Members can amend in 3 ways:
 - By addition
 - By substitution
 - By striking out

Delaying Action

Maybe members want to go home and think about it!!!

• Many Ways:

Postpone definetly

- Allows for research of the motion to take place and a time would be set up to bring it up again.
 - » "I move to postpone action on this motion until our next regular meeting."

Lay on the Table

- Different because you are not setting a time to come back to it
 - » "I move to lay this motion on the table."

Refer to committee

- May want to refer something for a group of people to research
 - » "I move to refer this motion to a committee to report at our next meeting."

Returning a Meeting to Order

Point or Order

- This is done if you ever think parliamentary law is not being followed properly
 - "I rise to a point of order."
 - Presiding says, "State your point."
 - You continue, ".....
 - Presiding says, "Either point was taken or not."

Ending a Meeting

- Motion to Adjourn
 - Someone says, "I move to adjourn."
 - Second must occur, then a vote.

Meeting Responsibilities

(officers have responsibilities during a meeting)

- President- called the chair, presides but does not direct, only votes in a tie, cannot bring business up
- Vice President- non-voting member, assumes President position if President is absent
- Secretary- prepares agenda and keeps accurate record
- Treasurer- prepares financial report
- **Reporter-** obtain publicity
- Sentinel- prepares meeting room
