## **GMEA District 6 Honor Band and All-State Auditions 2018-19**

Forms and payments due back no later than Sept. 7

Please sign my student up for the GMEA auditions (dates listed below). I understand my student will need to work with their private instructor on preparing the scales, etudes and sight reading for this audition process. No school transportation is provided for these auditions or events.

Audition fees are \$25...please make checks payable to OMS bands as we will send in one school check for the registration. Your student will be competing against the best players in our district (60 middle schools) and then in the entire state if they make the second audition.

Dec. 1 - District Level Audition 1 at Eddie White Academy (Clayton County)

Jan. 12- State Level Audition 2 (if students pass first cut at audition 1) at Perry Middle School

Feb. 8-9 District 6 Honor Band Event at Flat Rock Middle School if students make the group

Feb. 28-Mar. 2- GMEA Allstate band in Athens, GA (if students make the All-state group)
