"Don't mind Ashley. After looking through a microscope all day, anything large startles him."

Summer Assignment:

Part 1: A View of Life

- ❖ Go to the book website and under chapter 1, take the 5-question pre-test and email me your results.
- ❖ Read and study chapter 1 in the text.
- ❖ Make sure you understand the terms on page 17. On page 18, match the terms with the definitions.
- ❖ Under "Reviewing this Chapter," answer questions 1-13 in complete sentences.
- ❖ Go back to the book website and take the 20-question post-test under chapter 1 and email me your results.

Part 2: Basic Chemistry

- ❖ Go to the book website and under chapter 2, take the 5-question pre-test and email me your results.
- ❖ Read and study chapter 2 in the text.
- ❖ Make sure you understand the terms on page 34. On page 35, match the terms with the definitions.
- ❖ Under "Reviewing this Chapter," answer questions 1-10 in complete sentences.
- ❖ Go back to the book website and take the 20-question post-test under chapter 2 and email me your results.

Be prepared to turn in your assignments on the first day of school, Monday, August 19. Please be sure you have emailed your pre- and post-tests before then. You can do that at any time during the summer. We will have a quiz on the material from chapters 1 and 2 on the first day of school.

NO LATE WORK WILL BE ACCEPTED!!

Please go to edmodo.com and create an account. Then use the following code to join my class: js9vqn. I will use this site frequently to communicate and post work.

If you have any questions during the summer please feel free to email me. I will try to respond within 1-2 days.

Have a great summer!
