

Advanced Placement Examinations Information for Test Takers – May 2017

You are scheduled to take one or more Advanced Placement examinations. These are a valuable opportunity to demonstrate the excellence of your learning in class this year. For a successful testing experience, please read and observe the following:

- Study for your exams and follow all guidance provided by your teacher.
- Get a good night's sleep before the exam.
- Eat a healthy breakfast and lunch.
- Drink water or natural fruit juice, not sugary beverages.
- Remember that you are taking your exams with other people. Be quiet, considerate and courteous.
- Arrive early and sit where directed. You are required to arrive 30 minutes prior to your exam: 7:30am for the morning administration and 11:30am for the afternoon administration.
- Exam room listings will be released at the end of April and will note where to gather before testing.
- If you are taking two examinations in one day, there will be limited time to eat lunch. Bring lunch with you and store it outside of the exam room (e.g., insulated lunch bag in your locker or vehicle).
