

Dear Students and Parents:

Welcome to Ola High School! You are receiving this letter because you have been scheduled to take Advanced Placement Human Geography next year. I am thrilled to have the opportunity to teach and learn with your children next year in Advanced Placement Human Geography. While some families are experienced in the Advanced Placement experience, many of you will be experiencing the challenges of a college level course for the first time. With this in mind, I have a summer assignment for students to help introduce them to the world of geography. This summer they need to read in its entirety “Prisoners of Geography” by Tim Marshall.

Once school begins in the fall, we will use this book for activities to assess their reading of the material. If you have any questions, please contact me at sschmuhl@henry.k12.ga.us

Sincerely,

Stacey Schmuhl
