

Stockbridge High School
Advanced Placement / Honors /Online Course Application
2022-2023

Student Name _____ **Student ID#** _____

Please indicate below the Advanced Placement and/or Honors Courses requested for the 2022-2023 school year. Students should understand that **Advanced Placement** courses are taught on a college level and require an average of one to two hours a night of homework in addition to other class assignments. Additionally, in order to qualify for college credit, AP test score guidelines must be reviewed for each College and/or University, as these requirements differ from school to school. **Honors** courses will also require additional time each night for homework and will be taught in greater depth than average level subjects. Students may be required to complete summer assignments as well as participate in other classroom assignments before or after school for both AP and Honors level courses. **ALL COURSES ARE SEMESTER-LONG BLOCK CLASSES.**
