

AP Human Geography Summer Assignment

There are two required summer activities that will help you prepare for the transition into AP Human Geography. You must complete both assignments and be prepared for an assessment on the second day of school (August 9).

Part 1

- Purchase Barron's AP Human Geography AP Exam Prep Book (4th edition) - If you purchase a used book, be sure that there are not any markings.
 - Please contact me if you cannot afford to purchase this book.
- Read and highlight/annotate the Introduction.
- Complete the diagnostic test and send me your score out of 75 (do not complete the FRQs).
- Read and highlight/annotate chapters 1 and 2 (What is Human Geography and Maps, Scale, Space and Place).
- Be prepared for a quiz on the second day of school (August 9th) covering the Introduction, What is Human Geography and Maps, Scale, Space and Place. This quiz will be worth one formative grade.

Part 2

The list below represents important countries, landmarks and geographic features on the Earth's surface. You will be responsible for knowing the location of all of these countries and features on the map quiz on Friday, August 9. You may use blank maps to study or you may use the included review links. The quiz will include approximately 40 locations. This assessment will be worth one formative grade.
