Dear Parents and Students,

Congratulations on participating in Advanced Placement classes here at **Hiram High School**, courses which provide college-level academic experiences that challenge and inspire. Students who take AP courses and exams demonstrate to college admission officers that they have pursued an educational experience that will prepare them for success in college and beyond. Performing well on an AP exam means more than just the successful completion of a course. Most colleges and universities accept successful exam scores for credit, advanced placement, or both. Research consistently indicates that students who are successful in AP typically experience greater academic success in college than those who do not participate in AP programs.

The 2021 AP Exams will be administered May 3 - 14. As we approach the testing dates, more details will be provided to all AP students who are planning to take AP exams. **Each AP exam costs \$ 99.00.**

The state of Georgia will continue to pay for one AP exam for Georgia public school students enrolled in AP courses in one of two categories:

- **Category One:** Public school students who individually qualify for the College Board fee reduction (example: Free Reduced Lunch). For these students, the state of Georgia will pay for one AP Exam in any subject.
- **Category Two:** Public school students enrolled in AP STEM courses who do not qualify for the College Board fee reduction may qualify for one free AP STEM exam.

We will keep you informed about waivers as the information becomes available. Students requiring **financial assistance** should see Mr. Borato Broughton at bbroughton@paulding.k12.ga.us to learn more.

Any student who is taking an AP course in the Fall and is planning to take the corresponding AP exam in the Spring must complete the following **THREE items by March 5, 2021:**

- Register for the corresponding AP class/section with College Board (your AP teacher will assist you with the registration process).
- Register with Total Registration (totalregistration.net) which we will use for the organization and fee processing purposes.
- Pay Balance for AP exams in (Totalregistration.net) by Friday March 5, 2021.

- **Important: ALL** students that had AP courses in the fall MUST pay your balance by March 5, 2021 for the AP exams that were ordered. Your deposit will be applied to the overall exam fee in the Spring. Check Total Registration for your balance.

Please feel free to contact me if you have any questions. I will be happy to assist you with any inquiries and/or concerns.

Sincerely,

Borato Broughton
