

# AP US History Summer Assignment - 2019-2020

## Coach Sanders AP US History Academy Of Advanced Studies

Learning through movies. The list below is made up of movies that take you back in time in US History. These movies are a great tool to help you visually see the lessons that we will be studying. Please use the viewing guides to follow along with the movies and answer all the questions. Please note the movies that are optional. If you chose to watch these and write an overview you will be given extra credit. All viewing guides and questions are due the first day of class.
