

AP European History Summer Assignment 2023-2024

Welcome to AP European History! You have chosen to take a college-level course that provides a survey of European history from 1450 to the present. This course will be rigorous, but highly rewarding if you put in the appropriate amount of work. Over the summer, you will be completing a map overview that will assist us as we begin looking at Europe.

Summer assignments will be due on the first day of class in August and be taken for a grade. If you have any questions over the summer, please email me at kelleetsa@lee.k12.ga.us.

Note: You will be **required** to purchase a copy of *AMSCO Advanced Placement European History second edition* prior to the start of school. We will be reading and completing work out of this book all year so it is very important that you have your own copy. Please be sure it is the **second edition** with the **PURPLE LIGHTBULB** on the cover! The cost of this book is around \$22 and can be purchased at the following link:

Part 1: Geography

This course moves from 1450 to the present throughout the continent of Europe. As such, it will be important that you are able to locate the major countries on a map throughout the course. Complete the attached blank map where you should color and label the appropriate countries and bodies of water listed below. **A geography quiz over this information will take place the first week of school.**
