Dear AP Language & Composition Student,

We hope your summer is going well and are excited to see you in August! As teachers begin planning over the summer, we have ascertained a need to streamline your current summer reading assignment.

Therefore, you may disregard the writing prompt and simply complete the section summaries as outlined. We sincerely hope that this will allow you to put your energy into the reading (and subsequent write-ups) of *Thank You For Arguing* by Jay Heinrichs, while also allowing you time to enjoy the remaining weeks of summer vacation. 😊

If you have any questions or concerns, please feel free to reach out to one of us via email.

Sincerely,
Mrs. Ling & Mrs. Rega
