At Whitehall

Dear Ms. Nagourney:

I am writing on behalf of the Founding Board of the Mapleton Charter School at Whitehall to request that your office and the Charter School Accountability Committee accept a minor change to the Executive Summary of the Mapleton Charter School at Whitehall application.

Subsequent to our submission of the application package on December 20, 2013, it very recently came to our attention that a late addition to the school's admissions preferences, supported by our Board on December 16, 2013, was inadvertently omitted from page 2, question 2(c), in the Executive Summary.

The admissions preferences, in total, are accurately reflected in the Education Plan [page 2-36; question 4(b)], and also in Attachment 7-A, the school's Enrollment Policy [page 1]. Our final fact checking, however, missed the gap of the addition to our Executive Summary. We apologize for any inconvenience this may have caused your staff or the Charter School Accountability Committee.

Attached is the corrected Executive Summary. We respectfully request this document replace the Executive Summary presently included with our application. Please contact me if you have questions or would like additional information to support this request.

On behalf of the Founding Board of Mapleton Charter School at Whitehall, our thanks to you.

Sincerely yours
