Hi Mark,

Design Lab is fully compliant with the Omnibus School Safety Act (and Amendment) which requires 2 Lockdown/Intruder Drills and 1 Tabletop Exercise per academic school year. We do not monitor fire drills, however, DOE checks those drills through access to ERIP, so we encourage all schools to also document those drills into their portals. However, for our purposes here at CSSP, you are fully compliant with the Omnibus School Safety Act.

Should you need any assistance in the next two weeks (as I will be out of state), I have cc John Barr, who will be able to assist you.

Best Regards,

Evelyn Brown
