

## **APPENDIX B-1: ALTERNATE ASSESSMENT ACCESSIBILITY FORMS**

### **DESSA-ALT ACCOMMODATION FORM**

Table 1 shows which supports fall under each of these categories. Each support is described in the DLM accessibility manual at <http://dynamiclearningmaps.org/delaware>. The DLM Accessibility Manual, with appendices, must be reviewed during decision-making and the IEP process. For additional specifics, reference the DLM manual, contact the DLM Help Desk, or the Delaware Department of Education.

#### APPENDIX C: DLM ACCESSIBILITY WORKSHEET FOR TEST ADMINISTRATORS AND IEP TEAMS

States may use this worksheet to indicate which supports must be determined by IEP teams and to document the supports provided to each student.

Accessibility Support	Support Provided Within KITE Client via the Access Profile	Support Requires Additional Tools or Materials	Support Provided by the Test Administrator Outside of KITE Client	Support Selected for STUDENT NAME	Notes and Evaluation
