

APPLICATION FOR VISUAL ARTS

Name: _____

Homeroom: _____

Visual Arts 1 & 2 is a year-long High School class. Students cannot withdraw from this class after the first quarter, and the grades earned per semester will be listed on the students' H.S. transcript and will be part of the H.S. GPA.

Creekview H.S. Course Description: Introduces art history, art criticism, aesthetic judgment and studio production. Emphasizes the ability to understand and use elements and principles of design through a variety of media, processes and visual resources. Explores master artworks for historical and cultural significance. In the second semester, students explore different two and three dimensional art media and processes.

As a high school level class, students must be motivated to produce work and keep up with expectations throughout the year. Space is limited! Please explain below why you would like to take Visual Arts, if you could manage the requirements of a high school class, and why you believe it will be a "good fit" for you:
