“THE IMPORTANCE OF BECOMING AN ORGAN AND TISSUE DONOR” VIDEO CONTEST. ENTER TO WIN A SCHOLARSHIP.

Organ donation is crucial for lifesaving and life-enhancing transplants, and it relies heavily on having people sign up with their driver’s license. Delaware needs videos to help spread the word about the importance of becoming a designated organ donor. ***That’s where you come in.***

1.

Create a one-to-two-minute video PSA about organ and tissue donation.

2.

Enter your video in the contest by April 21, 2023.

3.

Winners will receive a \$1,000 first-place or \$500 second-place scholarship.
(Winners are selected from each county in Delaware.)

CONTEST GUIDELINES:

- Open to Delaware students in grades 9 to 12.
- Submissions are judged on creativity, accuracy, and positive messaging.
- Students are encouraged to interview a transplant patient or organ recipient.
- Video must **NOT** include any footage of dangerous or reckless driving, or driving that is in violation of the Delaware Vehicle Code or any Delaware law.

Scan the QR code on the first page to learn more about organ donation, see more guidelines and suggestions, or submit your video entry.

Deadline for submission is Friday, April 21, 2023.
