Joan Walker Elementary Newsletter  
Seminole County Public Schools

*The mission of the Seminole County Public Schools is to ensure that all students acquire the knowledge, skills, and attitudes to be productive citizens.*

## A Note from the Principal, Mrs. José:

Walker Families-

I feel very lucky to be the principal at Walker Elementary! We have the most amazing students, teachers and parents like you! Welcome to April! Take note of all the events taking place this month and again thank you for your support and dedication to our school!

This month our teachers will continue to work hard to ensure that all of our students are mastering the Florida Standards. In doing so, we are preparing our students for the upcoming FSA ( Florida Standards Assessments) for students in grades 3, 4 and 5.

We request that you continue to encourage your child(ren) to put forth their very best effort with daily classroom practice, assessments, homework and iReady lessons. We appreciate your help!

A very special thank you to our incredible PTA for working alongside me to make our school the very best.

I am here to support you, so please reach out if you need assistance.

Debbie José
