

ARINA GRANDE

CREATED BY: India Copeland

A STAR IS BORN

- Ariana Grande was born in Boca Raton, Florida, on June 26th , 1993
- And started acting at a very young age. She began her acting career in 2008. she was 15 years old and got casted in the musical 13. this landed her a National Youth Association Award .
- 2 years later she guest starred in some other TV shows they were small TV roles but luckily they were just enough for her to get a role on the hit TV show from nickelodeon Victorious in 2012.
- The show lasted for 2 years but ended and shortly after Ariana got casted in the Spin-off, “ Sam and Cat”.

INTO THE MUSIC

- Ariana Grande being the star that she is finally realized much like her fans that she was destined for greater things and those things/thing was music.
- Ariana Grande's first album "Yours Truly" came out in 2013 and it was a big hit. This album had fantastic songs like "The Way", "Baby I", and "Right There"
- This album showed Ariana Grande as a maturing artist and people began seeing her as a true artist rather than a dumb red head.
- Ariana Grande then made another album in 2014 which was titled "My Everything" this album was and even bigger hit then her first one and it reached #1 on the billboards for the best album in 5 countries including the U.S This album had hot hits like "PROBLEM", "BREAK FREE", "LOVE ME HARDER", and "BANG BANG"
