IMPORTANT ARRIVAL / DISMISSAL INFORMATION FOR 2021-2022

We are eager to begin our 2021-2022 school year. As with each new year, we would like to remind you of our drop off and pick up process. There are several ways that students travel to and from school. They include being a bus rider, car rider, or on a day care provider van. Even though we don't have any walkers this year, we will do so next year.

Please remember that **traffic is one way** in the parking lot and around our school. As always, follow the flow of traffic, the signs that are posted around our school, and always maintain a slow and respectful speed around our school for everyone's safety.

MORNING ARRIVAL will be between 8:20 and 8:35. If a student arrives after 8:35, they will be marked late.

AFTERNOON DISMISSAL will start at 3:15 with our car rider being dismissed followed by our bus riders starting their dismissal at 3:25.
