

ART BEYOND THE ART ROOM! WEEK 5

Hi K, 1st, and 2nd grade students! This week, we'll be exploring monsters and aliens.

Complete the challenge below with any art materials you have. Please take a photo of your artwork and upload it to the Google Classroom assignment page. I can't wait to see your creations!

Challenge 1: Dot Monsters

Draw 10-20 dots all over your paper. **Connect** the dots into a shape. **Add monster features:** eyes, eyebrows, nose, teeth, wings, horns, spikes, scales, tail, claws, fur, fins, etc. **Color!**

BONUS CHALLENGE: Magazine Aliens

Cut different parts of animals out of a magazine or newspaper. **Collage** (that means glue!) all the parts together onto a piece of paper to create an alien! If you want to, **draw** the monster you created.
