## Articles of Confederation Questions

Placard A:

- What experiences from 1763 to 1776 would have made Americans fearful of a president or a king?
- Why, then, do you think this feature was included in the Articles of Confederation?

Placard B:

- What possible problems do you think this feature might have created?

Placard C:

- What experiences from 1763 to 1776 would have made Americans reluctant to allow congress to tax citizens directly?
- Why, then, do you think this feature was included in the Articles of Confederation?

Placard D:

- What possible problems do you think this feature might have created?

Placard E:

- What possible problems do you think this feature might have created?

Placard F:

- Why, then, do you think this feature was included in the Articles of Confederation?

Placard G:

- What possible problems do you think this feature might have created?

Placard H:

- Why, then, do you think this feature was included in the Articles of Confederation?

# Spell-Out for the Articles of Confederation

Directions: For each placard, create a sentence that explains why that feature of the Articles of Confederation created problems for our early leaders. Each sentence must begin with one of the letters from the word Articles

**Example:** For the Feature "No chief executive" you might write: "Strong leadership was not provided because there was no president."
