

little **veterinarian** school®  
FROM THE LIBRARY OF little medical school®

# *Inspiring young minds is what we do.*

We inspire children to be doctors! Does your child love **DOGS**? Little Vet School teaches kids all about cat care in a FUN, engaging and practical way! Your child will dress up like vets, use instruments that vets use and learn about cat assessment, nutrition, how to remove ticks, vaccinations and so much more!

## **Pauoa Elementary**

## Engineering Adventures

Designed and created by teachers, architects, and engineering professionals, the Engineering Adventures After School curriculum by BRICKS 4 KIDZ® introduces kids to concepts of engineering, coding, architecture, and mechanics using LEGO®!

Students will develop problem solving and critical thinking skills. Instructional content is multi-disciplinary and designed by educators to increase the student's general knowledge and introduce STEM (Science, Technology, Engineering and Math) concepts while building our models. The Bricks 4 Kidz® approach to learning is imaginative, multi-sensory and fun!
