Foreign Language Requirement

In accordance with Florida Statute 1007.25, A.A. degree-seeking students entering FSCJ or another Florida College System institution in 2014-15 and thereafter must demonstrate competency in a foreign language. Competency is demonstrated by the completion of a minimum of eight semester hours in the same foreign language at the college level or by the completion of two high school credits in the same foreign language.

Please note: Depending on your intended transfer major, foreign language courses may satisfy your elective requirements.

**A.A. degree elective courses consist of any combination of college-level courses or recommended/required courses for a specific upper-division major either at FSCJ or another college/university. When selecting electives, please refer to your intended transfer institution's prerequisite courses for your intended transfer major. Specific prerequisites may be required before you can transfer into a major at the junior level. Please refer to the FSCJ College Catalog for additional information about A.A. degree requirements. In addition, please see an advisor for guidance in the selection of general education and elective/prerequisite courses.*
