How to get to Astronomy Milestones review:

- Hover over the **6th Milestones** tab and click **Science**
- **Astronomy and Space Science** is the first section.
- Start with (S6E2.c) **Earth Tilt and Solar Energy** and then work your way up the list
- Watch the **Videos** first then complete the other activities (excluding the games)
- Once you have chosen an activity, be sure to **Assign a Teacher** and **class period** so you will receive credit for your work.
