FOURTH GRADE

AUGUST 15th - 19th

DATES TO REMEMBER

- Boosterthon Kickoff 8/18
- Back to school bash 8/18
- Kona Ice 8/19
- Boosterthon event 8/26

WHAT WE'RE LEARNING

Math: NBT.4. Fluently add and subtract multi-digit whole numbers using the standard algorithm. Use the four operations with whole numbers to solve problems. Use the four operations with whole numbers to solve problems.

ELA: RL3: Describe characters, settings, and events using details from the text.

W3: I can write narratives to develop real or imagined experiences or events using effective technique, descriptive details, and clear event sequences.

Science: S4L1: Obtain, evaluate, and communicate information about the roles of organisms and the flow of energy within an ecosystem.

SS: MGS 10 Compare maps of the same place at different points in time and from different perspectives to determine changes, identify trends, and generalize about human activities

ANNOUNCEMENTS

- We have a New Hope Lunch Cafe. Parents are welcome to come eat lunch with their children on Mondays and Wednesdays.
- New computers will be distributed. Please have your child send in their computer and charger as soon as possible.
- All computers will be staying here in the teachers room until further notice.
- The instructional day is from 7:35-2:15. Breakfast is from 7:10 - 7:30.
- Dojo Points have started. A letter came home last week from administration about the new procedures. Instead of taking points, your child will be earning points to spend in the school store. As of now, they will be able to earn 8 points per day. Please let us know if you have questions or concerns.
- Reminder; if your child will be going home a different way than normal, please remember to send in a handwritten note with a signature and date as we cannot accept anything else.
