## Principal's Corner :

Welcome Back JCE Families!!!

It has been a blessing to see all the smiling faces walking through our doors and hallways. We have missed everyone very much. I want to take the opportunity to mention some upcoming events and changes to our campus and start times. As mentioned in previous communications, all elementary schools have adjusted their start times to 8:25 and ending times to 2:45 (1:45 on early release Wednesdays). We have also sent home arrival and dismissal procedures. They can also be located on our webpage. As you walk into our beautiful campus, you will notice added security enhancements. For additional student and adult safety, the front office doors will remain locked. We ask all of our visitors and families to push the button for assistance. Our welcoming receptionist, Ms. Higbea, will greet you.

Communication is key at JCE. It is encouraged that all families meet with their teacher to discuss curriculum and progress. We offer Curriculum Chats each year for families to learn more about their student's day and goals for the year. The following chats have been scheduled for 1<sup>st</sup>-5<sup>th</sup>:

- 8/26 - Curriculum Chat Night for 5th grade 5:30 p.m.
- 8/27 - Curriculum Chat Night for 1st grade 5:30 p.m.
- 8/27 - Curriculum Chat Night for 3rd grade 6:30 p.m.
- 8/28 - Curriculum Chat Night for 2nd grade 5:30 p.m.
- 8/28 - Curriculum Chat Night for 4th grade 6:30 p.m.
- 9/16- School Pictures

I highly encourage families to keep an open line of communication early on with their teacher and trust them to be their first point of contact. Our amazing teachers are fortunate enough to spend most of their day with your precious students and make it a priority to get to know them. In addition to Curriculum Chats, JCE has developed many ways over the years to keep everyone informed.

Monthly Online Newsletters emailed to families and posted on our webpage

Follow us on Twitter [JulingtonCreekElem.@JulingtonCreek3](mailto:JulingtonCreekElem.@JulingtonCreek3) as we showcase our kids, families, innovations and celebrations.

Biweekly emails highlighting clubs, meetings, etc...

Emails at various times throughout the month advertising special events & helpful reminders.

Text messages in the event of dismissal changes due to inclement weather.

Home Access Center (HAC) is another tool for families to stay informed. This amazing online tool is designed for families to check grades (3<sup>rd</sup>-5<sup>th</sup>), view report cards (K-5<sup>th</sup>), check attendance and much more.

As you look into volunteer opportunities or simply plan to eat lunch with your student on special days, please make sure you are an approved volunteer <http://www.stjohns.k12.fl.us/volunteer/>. The school district will continue to enforce this policy. Parents/grandparents joining their student for lunch on special occasions is an absolute treat. The outside covered patio area continues to be designated for family lunches. The cafeteria will continue to be reserved for students only. If the weather is not cooperating for an outdoor lunch, you are welcome to reschedule for another day or check them out for a quick lunch.

We have so much to celebrate and be thankful for. We continue to be an "A" school! Our instructional technology at JCE continues to grow with the support of our fabulous families and your support through PTO. We continue to build our STEM program exposing our kids to all the amazing new growing careers in science/math/technology, getting them excited, and motivated to learn more about the "how" and think critically to create their own "how". Our kids are little sponges. This is the best time to feed their amazing minds with the endless possibilities.

On that note, I look forward to yet the best and innovating year in JCE history. Thank you again for your continued support.

Principal
