FCCLA is a Wilco Culinary student organization.

Students do not have to compete to join FCCLA.

We are a student organization that serves our community! Students are encouraged to compete in FCCLA competitions so they will have the ability to earn scholarships for college. To join FCCLA there is a \$14 fee. This can be paid with check, cash, card over phone or through our online payment system:

<https://wilco.revtrak.net>

Once payments are received we will print out membership cards for each student that allows them to get discounts at some stores related to the industry.

On the competition team students will create projects and present them at regionals later this year.

Culinary Competitions include:
