## Notes from the Teacher...

Please consider joining PTA if you haven't already. Our class will receive a sno-cone party and you'll receive a variety of benefits and discounts. Plus, you'll be helping our school!

Just a reminder that any parent or family member who plans to volunteer at Russom this year is required to watch the Mandatory Reporting video. Please sign off in the front office once you have viewed it.

## Tech Connection

If you haven't returned your child's BYOT letter yet, and you approve of them bringing an electronic device to school, please send it in as soon as possible. We will be incorporating technology as much as possible into lessons this year.

Also, please be sure your child has a QR reader app installed on their device. I-nigma is a great, FREE app that works well here at school.

## Assessments

Math: Written Expressions

Social Studies – Citizen Rights, Responsibilities  
& Due Process

Reading – John Henry Test

At Russom Elementary it is our responsibility to encourage and empower all students to be dedicated, active learners while maintaining a high standard of academic excellence and mutual respect for all.
