Dear Parents and Guardians,

Thank you for trusting Pauoa in our opening for SY 21-22. I know things are not always the safest with the counts being high around the state.

Complete your child's wellness check before stepping out of the house. I truly believe our mitigation protocols will help stop the spread of covid and keep our campus as safe as possible. Our mitigation protocols:

1. Mask wearing in and outside of the classroom
2. Sanitization
3. Frequent hand washing
4. Social distancing

Thank you for being patient waiting in line to drop off and pick up your child. Our start time for preK-2 is 7:45 am and gr. 3-5 is 8:00 am. Our end time for preK-2 is 2:00 pm and on Wednesday's only 1:15 pm and for gr. 3-5 2:15 pm and on Wednesday's only 1:30 pm. **Pickup for siblings is at the older siblings end time but at the younger siblings pickup area.**

Principal Arakaki's Message

Our drop off/pickup area:

1. Gr. K and 3 is at the cafeteria
2. Gr. 1 and 4 is in front of the office
3. Gr. 2 and 5 is right before the exit

We have your child separated in clusters as much as possible including recess and lunch. Each class has his/her own area to play and eat.

With our partnership caring for each child, we will have a fabulous year. Our theme for this year is to ho'omanawanui or to endure. Together we will make sure we get through this year as safe as we can be. We will endure the roadblocks by going around as we refine things or meet it head on. Let us continue to, "Believe to Achieve! Stand up! Be heard! Let's excel now!"

Aloha,

Dale Arakaki, Principal

Please follow the drop off and pick up procedures to ensure the safety of all the students, parents and staff. Drive slowly and be very careful! Drive with ALOHA!!!

Preschool: Ms. Shigematsu (D1)

Aloha Parents,

Welcome to a new school year!! I'd like to introduce myself if I haven't met you already. My name is Jasmine Shigematsu better known as Ms. S. I have been teaching for about 8 years with the majority of the time teaching in the Pre-K Special Education classroom. I recently just gave birth to my first child in April and I'm loving every minute of being a new mommy. I have 2 Educational Assistants Ms. Melva and Ms. Kellie that will be in our class working with our students.

There are a few things I wanted to share with you so the start of school will be a little easier.

- Drop off and pick ups in front of the office. There will be multiple vehicle lines depending on the grade level. We will be located in the middle line which will be in front of the office. Please be mindful of other drivers.

- o Drop off between 7:45 - 8:00 am
- o Pick up between 2:00 – 2:15 pm
- o Wednesdays Pick up between 1:15 – 1:30 pm

** Also, as much as possible, try to refrain from getting out of the car when in the drop off line or pick up line. If you have to get out of the car please park and walk to the front of the office. My aides and myself can help with taking off and putting on car seat harnesses if you want to use the drop off/pick up line.*

- Homework will be given at the beginning of the week and due by the end of the week. If you are completed with the homework early you can turn in back in sooner. Please let your child do the work on their own. You can read the instructions to them and give some guidance, but coloring, writing, etc. should be independent.

- Sleeping materials (blanket, pillow, sleeping bag, etc.) will be sent home at the end of the week to be washed. Please bring back at the beginning of the week.

Il look forward to this school year and getting to know your child and family better. Please don't ever hesitate to contact me if you have any questions or need to talk.

Thank you,
Ms. S

We are excited for the adventures we will journey through together as a class. We were so happy and grateful to have met most of the students and families during Kindergarten Testing in July. We wanted to also thank you for taking the time out of your busy schedules to come to our Kindergarten Orientation on campus. We thank you for your continued patience and understanding and look forward to an amazing family partnership. We look forward to a great school year!

Greetings Grade 2 Families, 🙌

Welcome back to school! As we return, we will ensure to practice safe social distancing while meeting all second grade skills.

During the month of August, students will learn safe practices in and outside of the classroom, reviewing school rules, establishing classroom routines, getting familiar with their new school iPad, and learning to take care of their iPad.

Parents and guardians, teachers need your support to be sure your child is completing work at home. Students are **required to turn in their homework**. Please **sign your child's planner** and **check in your child's homework folder everyday** for important papers and announcements. Please **sign and return all papers in the Opening School Packet**.

Mrs. Rickard

Tips to be safe and successful in second grade:

- 😴 Have your **child sleep early** every night to keep a routine
- 🧑‍🤝‍🧑 All students on campus **wear a face mask**. (This will minimize the risk of spreading COVID-19)
- ✍️ Parents and guardians, please **sign your child's planner daily**
- 📖 **Read everyday** for at least 20 minutes
- 📝 Please **complete homework every night** and turn it in the next day.

We welcome you and your child to third grade! During the first month of August, we will set our classroom/ school expectations; introduce rules/routines, and safety procedures with our students. As we continue into the first quarter, we ask that the students continue to display these actions and meet expectations. We want our students to come to school, ready to learn and become responsible individuals.

We are looking forward to working with you this school year!

In addition, here are some friendly reminders.

- Please join us on our Clasdojo, this is Grade 3's main way of communication. Teachers post important information and reminders here

Aloha 4th Grade Families! Welcome back to school. A special welcome to our new students and full distance learners. We are so happy to have you back! We also would like to welcome new fourth grade teacher, Ms. Chung (B8), to our team. She comes with experience teaching on the Big Island. Your other teachers are Ms. Takesue (B10) and Ms. Chanhboursy (B9). This year marks an exciting yet cautious return to face to face learning for all of us.

The students have been doing a good job adjusting to our new normal with added safety protocols such as frequent hand washing and wearing face masks. Some friendly reminders for students are: masks should be worn over their nose to their chin, ask the teacher if a mask break is needed, practice social distancing throughout the day, and to please inform the teacher if they are not feeling well. Also, if you have more than one child at Pauoa, please drop off and pick up(2:15 pm) your children at the youngest child's location.

As you may have already heard from your child, we will be switching classes for the core subjects. Ms. Takesue will teach math and social studies. Ms. Chanhboursy will teach reading, language arts, and art. Ms. Chung will teach science and writing. Due to this rotation, it is especially important for your child to keep his/her backpack, planner, and homework folder organized to ensure their success this year. We ask that you occasionally check your child's backpack to make sure it is tidy with only necessary items. Lastly, students are responsible for writing all their homework into their planners and obtaining a parent signature daily.
