

Features of Australia

In your group, complete the worksheet titled: *Australia – Geographic Understanding*. You will use the Test Prep book for this assignment. Use your devices to look up photos of the four physical features – Ayers Rock, Great Victoria Dessert, Great Barrier Reef, and the Coral Sea – as you read about each location.

Location, Climate and

Natural Resources

Cultural characteristics

In your group, complete the graphic organizer Australian Physical Features. You may use your devices to look up photos for the four physical features. On the opposite side, you will determine if you would need an umbrella or sunscreen when visiting the different regions of Australia.

Australia's Government

Using the computer, complete the Australia's government worksheet with the PowerPoint on Australia's government system.

Australia's Economics

With your group members, complete the worksheet: Australia's Economy. This worksheet will be completed using the yellow Marsh book.

Aborígínes, Exploración and Colonización

Complete the worksheet: *Australia – Historical Understandings*. You will use the yellow Marsh book for this assignment.

Close Reading

Use the close reading strategies to read the passages:

Tasmania: The Original Island Prison and Gold Down Under! The Australian Gold Rush.

Answer the following questions:

How do the stories relate to other things you have learned in past classes?

What are three new words you discovered? What do they mean?

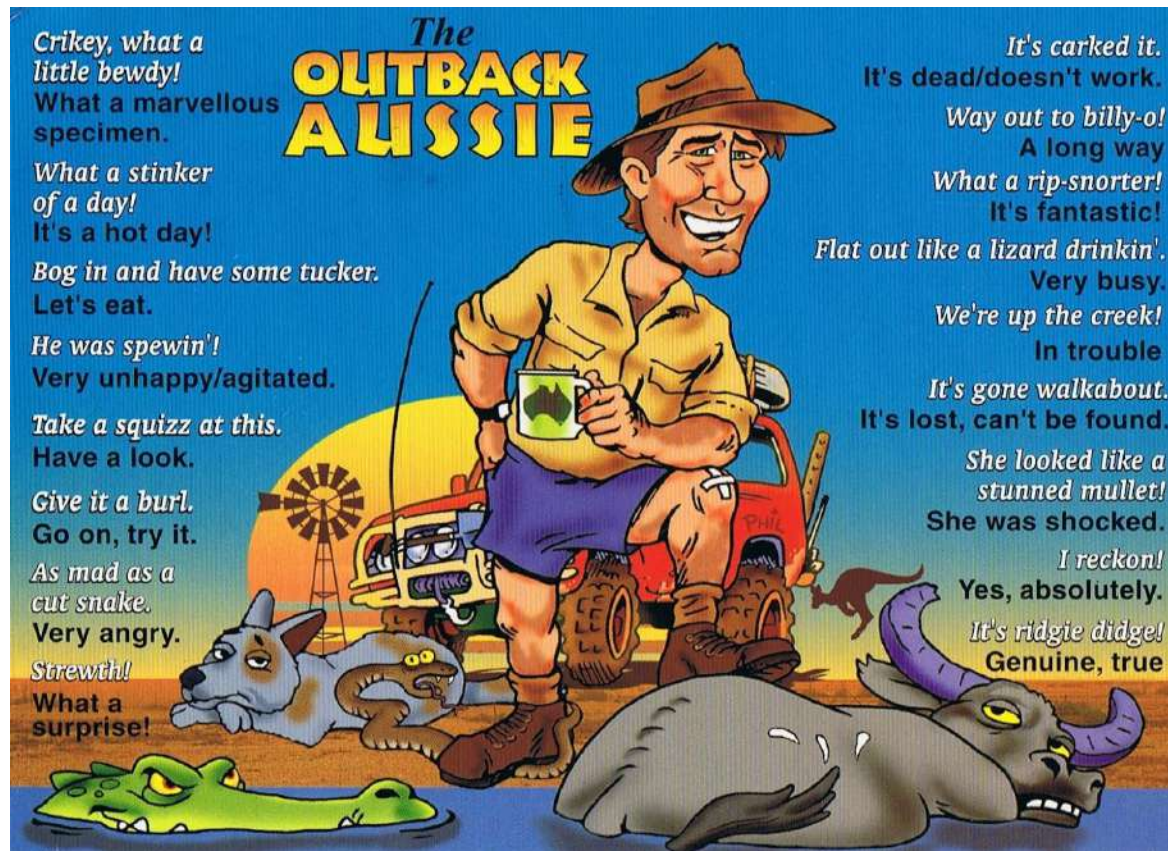

How were the actions of the British in Australia similar to that of the Spanish in Latin America?

How did the gold rush cause a population boom?

Culture - Slang Words

Write a narrative about a person in Australia. You must use a minimum of 15 slang words from Australia. Circle the words when you have finished your story and be creative!

Are We There Yet?

Using the book, write what the family did at each location on the map.
