

**BID #B21-05, New Hope ES Cabling Supplies
Questions & Answers**

Vendor	Question	Answer
Tech Optics	<p>Line 34 PN 10724-712 with description "90 degree inside radius bend" seems to be correct</p> <p>Line 38 PN 10724-212 with description "90 degree radius drop" – this PN does not match description- this PN is actually the same as line 34 only difference is color changes to white. PN 39327-C01 matches description for line 38. Please advise</p>	<p>The bid form has been revised to remove line items 36 & 37</p>
