CROOMS ATHLETIC DEPARTMENT

BANNER PROGRAM

Crooms Academy of Information Technology
2200 Historic Goldsboro
Sanford, FL 32771

Dear Sponsor:

Crooms Academy of Information Technology is Seminole County Publics School's only dedicated magnet high school. We are an A+ rated school and a nationally recognized magnet program.

As a small magnet school, without a football team, the highest revenue generating sport for all schools, we are at a disadvantage when it comes to funding our athletic programs through gate revenue. We must fundraise throughout the entire year to support our programs.

The Crooms Athletic Department is currently seeking business partners to help support our athletic programs. Money gained through fundraising will be used to help maintain our gym, field, purchase new equipment and uniforms. Please consider supporting the Crooms Athletic Department and its student athletes.

Please read through the Crooms Athletic Banner Program, select the sponsorship level that fits your business and become a **Panther Supporter**. Your support is greatly appreciated.
