

The Bryan Allen Stevenson School of Excellence  
Section 1.3 - Attachment 8 - Parent Support Surveys

**Bryan Allen Stevenson School of Excellence Parent Interest Survey**

The mission of BASSE is to develop 21st-century skills, provide real-world working experiences, and facilitate service-based learning for all students in partnership with the community at large by creating a supportive learning environment where students are provided the tools to own their identities, successes, and futures.

We are currently collecting surveys to measure support for a new school in Sussex County. We may share this information with the Department of Education as part of our application for a new school.

Please register your interest in sending your child to this school by completing the form below. If you provide us with your contact details, we will keep you updated on the progress of the campaign.

# Bryan Allen Stevenson School of Excellence Parent Interest Survey

We, the Bryan Allen Stevenson School of Excellence, want to ensure that a free secondary public school (for ages 13 to 19) is available in Sussex County that will provide countless opportunities for students to learn through a community-focused service-learning lens and academic rigor. In our first year, we will admit 125 9-grade and 125 10-grade students and grow a grade-level in the following years. Students will be provided real-world service experiences that will utilize student's knowledge of community needs and challenges and offer them opportunities to navigate and innovate across those spaces successfully. Combined with a rigorous academic curriculum modeled after the International Baccalaureate program, BASSE will offer students a unique chance to explore, achieve, and positively impact their school and their community.

**BASSE Mission:** To create pathways, through proximity, for our students, their families, and our community

**BASSE Vision:** To foster critically conscious individuals who are self-empowered leaders and advocates for change in our community

We are currently collecting surveys to measure support for a new school in our area. We may share this information with the Department of Education as part of our application for school.

**\* Required**

Name \*

Your answer

Email Address or Phone Number \*

Your answer

Zip Code \*

Your answer

Grade level your child is currently entering \*

- ☐ K-4
- ☐ 5th grade
