

Julington Creek Elementary School Band Handbook

Band Director: Mrs. Kathe Isabelle

Dear Parents,

August 12, 2019

I hope you made lot of cherished memories with your family over the summer! ☺ I am looking forward to another year of introducing band instruments to our 4th / 5th graders! ☺ The children do not need any prior experience on a band instrument in order to be in band. The instruments that will be offered are flute, clarinet, alto saxophone, tenor saxophone, trumpet, trombone, baritone, tuba, and percussion. These instruments may be rented at a music store. I highly recommend Music and Arts which is located in the Walmart shopping center on San Jose Blvd. Please do NOT buy an instrument from places like Walmart or Sears because they are impossible to repair if they break!!!

I am going to give the students who are in band, the “Selmer Music Guidance Survey,” on Tuesday, September 10th. The survey gives a good indication about which instrument is best suited for each student. I will also take into consideration each child’s 3 choices of instruments, height, hand size, arm length, teeth structure, and most of all love of a certain instrument! ☺ The survey is composed of four areas: Pitch Recognition, Chord, Melody, and Rhythm Memory. In addition to the survey, I will also spend 2 days having the children try-out the 3 instruments they have listed as choices. This evaluation along with the other methods listed above, will be a great indicator of which instrument each child will be best suited for. **Please know that a balanced instrumentation is necessary for a full band experience.** For example, for fifty wind instruments, a maximum of three percussionists would make a balanced sound. I am going to have a **“Band Night” on Thursday, September 19th from 6:30 - 8:00 P.M. in the cafeteria in which there will be representatives from Music and Arts to discuss the rental of instruments and set-up rental agreements with you. It will save you a trip to the store, and a long wait in line!!! I will also go over the band program briefly with you as well.** There is more information concerning “Band Night” later in the handbook. After reading through the remainder of the handbook, please complete the on-line form titled: “Beginning Band Information Form” on my website: <http://teachers.stjohns.k12.fl.us/isabelle-k> by **Friday, September 6th.**

Please have your son/daughter return the first “Band Fee” payment of \$20.00 to me by, **Friday, September 6th.** If paying by check, please address it to **JCE.**

Thank You! Musically,

Mrs. Kathe Isabelle – Band Director

My Philosophy of Teaching Band

Playing an instrument develops a child's self-confidence, reading skills, aural skills, and coordination. When a child creates his/her first sounds on an instrument, followed by the first few songs, the child feels that he/she has accomplished something, and feels good about it. Some children adapt quickly to an instrument, while others develop a little slower, but all children should be able to look back and say playing an instrument was a fun learning experience.

Reading skills are developed when a child plays an instrument. Music is read the same exact way in which words on a page are read, except that music is written in a different way.

Aural skills are also developed when one learns how to play an instrument. A person learns how each pitch needs to sound so that when he/she reads a piece of music, he will recognize when wrong notes are played.

When a person plays an instrument, his/her hands and fingers move in time to the music, which helps in the development of a child's coordination. I hope to create a fun learning environment so that with your support your child will find band to be a rewarding experience!

Rehearsal Schedule

*****All rehearsals will begin at 7:30 A.M. and end at 8:15 A.M. Monday through Thursday.**

Transportation will need to be provided by the parents. Please enter the school's parking lot at the "Busses Only" entrance, and please drop off your child at the bus drop off.

Rehearsals will be held in the mini Jaguar Den, and I will have the outside door unlocked each morning for the children to enter. PLEASE be sure your child arrives on time, allowing time to get his/her chair/stand set-up, put the instrument together, and possibly put a reed on!

*****I would allow an extra 5 to 10 minutes each morning for your child to be prepared to play in his/her seat at 7:30. Arriving at 7:20 – 7:25 is strongly recommended. I only see the children twice a week, and I will need all the time I can with them for beautiful sounds to occur! ☺**

*****I will need ALL the students to come on the following mornings for just the first week so I can introduce the instruments, take the Selmer Music Guidance Survey, and try-out their 3 choices of instruments. ☺**

*****Mon., Sept. 9th, Tues., Sept.10th, Wed., Sept.11th, Thurs., Sept. 12th**

*****The rehearsal schedule will be as follows every week starting on Monday, September 23rd.**

Mondays = Percussion

Tuesdays = Woodwinds

Wednesdays = Brass

Thursdays = Full Band ☺

*****When there is a Holiday or Planning / In-service Day on a sectional or full band day, I will move or combine a rehearsal if possible. I will communicate with you, and the students in advance as well.**

*****Beginning the second semester, Tues., January 7th, I will combine the Beginning Band with the Advanced Band. Rehearsals will be Full Band only, and take place on Tuesday and Thursday mornings from 7:30 – 8:15 A.M.**

Rules

***** Students who want to be a Safety Patrol AND participate in band, may do so, but may ONLY participate in Safety Patrol in the afternoon, due to band rehearsals occurring in the morning.**

- 1) Attend all rehearsals.

Consequences: Students who have more than 3 unexcused absences will be dismissed from band. I will notify the student's parent(s) after the second unexcused absence.

Band does NOT interfere with Safety Patrol duties. Mrs. Isaaco works with students who are in band. PLEASE let her know ahead of time if you are participating in band.

Band does NOT interfere with the "Morning Show".

Students may still be a part of the cast. I will dismiss involved students 5 minutes early at 8:10 A.M. ***ALL students are expected to complete their homework at home the night before, and NOT miss a band rehearsal in order to complete it. Doing so counts as an unexcused absence. Completing classwork for another teacher BEFORE 8:15 also counts as an unexcused absence.

- 2) Attend all performances.

Consequence: Students who miss one performance, and I have not received a note from a parent or guardian will be dismissed from band pending a discussion with the student's parent(s).

- 3) Wear the band uniform to all performances.

Consequences: First Time: Students who do not wear their band uniform will be asked to sit out of that performance, and their parent(s) will be notified.

Second Time: Students who do not wear their band uniform to more than one performance, will be dismissed from band.
