

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how families and teachers can communicate about student progress
- Describe opportunities for families to volunteer, observe, and participate in the classroom

Jointly Developed

The families, students and staff of BES developed this School-Parent Compact. Teachers suggested home learning strategies, families added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

We welcome your suggestions.

If you would like to volunteer or participate, please call LeAnne Dixon at 449-2088 or email her at ldixon@pierce.k12.ga.us.

Communication about Student Learning

BES is committed to frequent two-way communication with families about student learning and success. Some of the ways you can expect us to reach you are...

- Newsletters & emails
- Livingtree Engage
- Parent Communication Folder
- Parent Teacher Conferences
- Progress Reports/Report Cards
- Current grades & attendance in Infinite Campus
- BES FaceBook & the school website

To make an appointment with your child's teacher, contact the teacher by phone (912) 449-2088, Livingtree Inbox or email.

Building Partnerships

Blackshear Elementary School offers many opportunities for families, teachers, and students to build partnerships throughout the school year. Such opportunities include...

- Open House
- Annual Title I Extravaganza
- "Table Talk" Workshops
- Volunteering/Mentoring
- Parent Teacher Conferences
- Parent Cafes
- BEST (Blackshear Elementary School Teams)

Blackshear Elementary School 4th Grade

2022-2023 School-Parent Compact

Our Focus is Student Success

Lanna Denison, Principal

5217 Highway 121 North
Blackshear, GA 31516
(912) 449 - 2088

Revised May 10, 2022

Reading

Increase Comprehension

As a school, we will...

- Provide resources to students and families through Livingtree and newsletters to improve reading comprehension.
- Provide comprehension questions for families to ask their child when monitoring daily reading.

As a parent, I will...

- Use resources in Livingtree and newsletters to improve my child's comprehension.
- Monitor my child's daily reading and ask comprehension questions.

As a student, I will...

- Share and review comprehension resources in Livingtree and newsletters with my family.
- Read each night and answer comprehension questions from my families.

Increase Fluency

As a school, we will...

- Provide families with weekly passages & books for students to practice fluency at home as needed.

As a parent, I will...

- Listen to my child read fluency passages provided by the teacher.
- Read with my child (shared reading).
- Sign fluency passage each night.

As a student, I will...

- Practice fluency passages at home.
- Read 20 minutes each night.

2022-2023 District Goals

The Pierce County School System will

- increase the percentage of students scoring at the Developing level or above in English Language Arts on the Georgia Milestones End of Grade (EOG) Assessment.
- increase the percentage of students scoring at the Developing level or above in Math on the Georgia Milestones End of Grade (EOG) Assessment.

2022-2023 BES Goals

Reading

By the end of the 2022-2023 school year, 75% of Blackshear Elementary School 4th grade students will meet proficiency grade level targets based on NWEA Reading assessment results.

Math

By the end of the 2022-2023 school year, 75% of Blackshear Elementary School 4th grade students will meet proficiency grade level targets based on NWEA Math assessment results.

BES Resource Room

When: Mon.–Thur. 7:30-3:00

Fri. 7:30 – 2:30

Come check out fun activities and games to help your child succeed in school!

Math

Increase Computation & Accuracy with Word Problems

Increase Computational Skills

As a school, we will...

- Provide families with strategies to increase math fact fluency and computational skills.
- Provide families with resources to increase math computation in notes and newsletters.

As a parent, I will...

- Use strategies while practicing math facts each night with my child to improve computational skills.
- Use resources and strategies found in notes and newsletters to help my child improve math computation.

As a student, I will...

- Review math facts using my strategies each night.
- Use math resources and strategies to solve math computation problems at home.
