IT IS YOUR RESPONSIBILITY

It is your responsibility to know and meet the requirements of the Florida Bright Futures Scholarship Program before high school graduation. Prior to submitting an Initial Student Florida Financial Aid Application, you should report all changes to your school counselor in order to update your transcript.

After submitting an application, you will create a PIN (Personal Identification Number), update your demographic information (on your original application), as necessary and monitor your financial aid recipient history (award status). It is your responsibility to provide your correct name, address, date of birth and social security number, and inform Bright Futures of any changes.
