

Educational Interpreter Project
Professional Development Activity For
Educational Interpreters
October 20, 2017 (Friday)
Plantation, Florida – Broward County

“Vocabulary Expansion: Computer, Social Media and more”

**Location: South Plantation High School.
1300 Paladin Way, Plantation FL 33317**

Park in the faculty lot on the north side of the building. The Media Center is in the main building across from the Main Office. Lunch choices abound in the area or a teachers' lounge is available to warm up lunch.

Time: 8:30 a.m. to 3:00 p.m.

Consultant/Instructor: Erik Hoover

Registration and Site Contact Person: Out of district folks contact Dawn Zamot dawn.zamot@browardschools.com or (954) 868-3839 to be sure there is space in the room. She will be glad to answer your questions about the site and handle ADA accommodation requests.

Description: Interpreting for Deaf students involves an aptitude for meeting the language needs of students within their respective culture. This workshop will focus on computer and social media literacy and ways to maximize depictions and grammar in ASL, including ASL expressions for social communication.

Learning Outcomes:

Participants will be able to:

- Apply ASL signs to computer terms
- Apply ASL signs to social media terms
- Use ASL classifiers/depictions to show how to navigate computer programs
- Accurately use ASL expressions for social communication

FRID is an Approved RID CMP Sponsor for Continuing Education Activities. This Professional Studies (PS) program is offered for 0.55 CEU's at the “Some” Content Knowledge Level.

This workshop is designed for educational interpreters working in public school districts and is provided without cost to individuals or schools by the Educational Interpreter Project.
