

# Canvas Parent Account

*"Educating the Emerging Generation"*

Parents,

Cherokee County School District welcomes you to experience Canvas, our new Learning Management System, which will replace Aspen Pages and gradebooks beginning in the Fall of 2017. Below, you will find a step-by-step process to sign up and visit your child/children's Canvas account. You will need to set up a parent account in Canvas to view your child's lessons, assignments, videos, resources, weblinks, and grades.

If you are a parent who participated in the 2016-2017 Canvas Pilot, you **will not** need to recreate an account since you already have one.
