

Career Day with the Parents

Dear Parents/Guardians

Willie J Williams will be hosting the annual Career Day on Thursday May 11, 2023. The purpose of the Career Day is to expose the students to a variety of careers in Colquitt County in order to jumpstart their thinking about the future. By preparing early, students will more likely be college and career ready once they complete the required steps in order to graduate high school. This year 7th graders will be participating in Career Day. However, we cannot do this without your help.

We need volunteers to speak to different classes for 5-20 minutes about their career and the path they took to attain it. We would also like for you to share the necessary skill/education required to be in your career, your day to day responsibilities/duties, and any other pertinent information you see fit to share with students. Career Day will occur between 9:00 a.m. - 10:00 a.m. If you, a family member, or a friend would be interested in volunteering to speak about a career, please complete the form below and send it back to your child's advisory teacher by Monday May 1. Volunteer selection will be on a first come basis. If you have any questions, please feel free to contact me at roger.ketchum@colquitt.k12.ga.us, or call the school at (229) 890-6183 and ask for Roger Ketchum, Mrs. Stacey Ivey, or Mrs. Ivis Smith. With your help, we look forward to having another exciting and engaging Career Day!

Sincerely,

Mr. Jim Horne, Principal
WJW Middle School
