

CCPS Lesson Plan Template

Purpose: To establish expectations for developing, implementing, and evaluating lesson plans to support the delivery of explicit instruction to improve student achievement and success.

Teacher:	Period(s)/Time:	Date(s):
Unit of Study/Topic:		

Lesson Standards	
Direct Explanation	
Explain what students should know and be able to do and how they will be assessed.	
Modeling the Lesson's Concepts	
Demonstrate the knowledge and skills for the lesson's concepts.	
Guided Practice with Feedback	
Provide students with opportunities to practice the concepts and skills with teacher guidance and corrective feedback.	
Independent Practice	
Allow students to practice the concepts independently using the lesson's skills, language, and/or practices.	
Review/Assessment of Standard and Learning Objectives	
Perform an assessment of students' knowledge and skills.
