

Please be aware that if your student has failed a course this semester with below a 70% average, your student will need a plan to recover the credit for this course.

Credit Recovery Options include:

1. Credit Connect
2. Summer School
3. Polaris Evening Program
4. Retaking the Course
5. NEW! - CCSD Course Extension Program

All the options above are available to your student. Please be aware of the CCSD's new Course Extension Program which will be offered at Cherokee High School. The Course Extension Program is a 10-day opportunity for students who have a final course grade between **65-69** in the following courses:

9th Literature and Composition A	US History A	Algebra 1 A
10th Literature and Composition A	Economics	Geometry A
11th Literature and Composition A	Government	Algebra 2 A
British Literature A		Statistics A
Advanced Composition A	Biology A	

- Students will register for the program which takes place before school (7:15AM-8:15 AM)
- Students must prepay a \$40.00 fee to participate.
- Students will complete an online, individualized mastery pathway centered on content/standards.
- All graded components of this pathway must score at an 80%.
- Upon successful completion of the mastery pathway within the 10-day window, the student will receive a final course grade of a 70.

Space is limited! The registration documentation is can be found **here**. It should be returned to Karen Holton in the Counseling Office. Please contact your student's counselor for information on credit recovery options. **Please contact karen.holton@cherokeek12.net for more information on Course Extension.**

Sincerely,

Charley Ingham

Assistant Principal - Curriculum

Cherokee High School
